

GAGetrak 7 Web Training Suite

March 2019

Full Suite: \$1099. Individual Session: \$399.

The GAGetrak 7 Web Training Suite is a series of four interactive online training sessions (2 hours each) which cover the same topics as our regional training classes. You participate from the comfort of your own office and you can fully interact with your skilled trainer. Complete all four sessions in the suite to receive a certificate of completion and you'll be using GAGetrak like a pro.
